January 2, 2019

Dear Colleagues,

I am submitting my interest for the 2020 Carolinas Parking and Mobility Association Board. I am a Sales Executive at Passport and I work to assist agencies to drive efficiencies and transform the way they manage their parking operations. This work has allowed me to establish strong relationships throughout the State of North Carolina and the Southeastern United States. It would be an honor to serve on the Board and help drive the Association's mission to further membership and engage individuals within the parking and transportation industries.

Passport recognizes the value of CPMA to provide networking, leadership, and education to its members at the annual conference and throughout the year. CPMA is the premier state association within our industry and I'd like to bring an enthusiastic and unique approach to the board to continue to push the association forward.

I am relatively new to the industry, but have a background in IT Sales throughout the Southeast. My IT knowledge and government experience bring added value to the industry, as mobility and innovation continue to lead the way in Parking. During the past year at Passport, I have taken an active role in the parking industry, I've represented Passport at MSTPA, IPMI, and the Fort Lauderdale Transportation Summit, and I look forward to taking more of an active role moving forward. I will take this experience and help to grow CPMA's programs and membership.

It would be an honor to work with the Board to help CPMA achieve its 2020 goals.

Thank you for your consideration,

Darryl Davis
